- 7.2 Sailing is by its nature an unpredictable sport and therefore inherently involves an element of risk. All those taking part should be especially aware of the particular risks in team racing where boats are manoeuvred in close proximity and where the actions of other competitors, the action or inaction of the organisers, the umpires and drivers of other escort craft can also endanger their safety.

-
- 7.3 By taking part in the event, each competitor agrees and acknowledges that:
- (a) they are aware of the inherent element of risk involved in the sport and accept responsibility for the exposure of themselves, their crew and their boat to such inherent risk whilst taking part in the event;
 - (b) they are responsible for the safety of themselves, their crew, their boat and their other property whether afloat or ashore;
 - (c) they accept responsibility for any injury, damage or loss to the extent caused by their own actions or omissions;
 - (d) they have checked that their boat is in good order, equipped to sail in the event and they are fit to participate;
 - (e) the provision of a race management team, patrol boats, umpires and other officials and volunteers by the organiser does not relieve them of their own responsibilities.
